

# Adoption Promises

We are again looking forward to many new changes for Adoption Promises this year. The first change is an increase in home studies across the state. The second change is our office. We have moved into a new office. However, our mailing address remains P.O. Box 253, Huntingdon, TN 38344. The phone number remains 731-986-2001 or toll free 877-647-9697. The phone is forwarded to my cell phone and has voice mail if I am unable to answer at that moment.

We want all of you to know how much we appreciate the referrals that you have made to us. It seems that most of our business comes from the wonderful referrals that you give about our services. If you would be willing to be a reference for us, please email me and let me know. I don't want to wear out the few folks who have been so kind as to help in the past.

Placement of newborns has been slow. We placed a Caucasian newborn in 2004, an African American newborn in 2005 and have the potential placement of a bi-racial newborn in 2006. However, we placed a 5 year old from Washington State and a sibling group of 4 from Texas with 2 great families this year.

We are looking forward to becoming associated with a new international adoption agency soon. This agency will be doing placements from Guatemala. We will be doing the home studies for them.

As always, I look forward to news of your children and, of course, pictures. It really helps new families to see the children you have adopted (and I love to see how they are growing).

Merry Christmas to all and a very Happy New Year.
